

THE DELIGHT OF AN OPEN CHURCH

It's been nearly six months since we were able to open St John's church again each day ... and in that time many people have visited the church. Quite a few have signed the Visitors' Book, from a wonderful variety of countries. The last month has seen people from eight different ones (see below).

Many thanks to the team who open and close the church each day – **if anyone would like to join the team** (and we'd love to increase the number of our volunteers), please contact Christina Vinestock in the Parish House.
