

An Advent Reflection

- 'Preparing the Way'

How are we called to prepare the Way?

How are You calling us, O Loving God, to prepare the
Way?

*My people,
My children,
Be yourselves, use your gifts
Be who I created you to be
My light has been in you since
before you were born.
Continue to grow more fully
Into your true selves
Live my Truth*

*Be light
Bring your light
Wipe away the darkness
Prepare the way
Create a path through the darkness,
Make straight a highway
through the wasteland
Bring justice
Bring peace
Bring Joy*
